

Hello everyone! Congratulations to...

First Place: **Eric "Eguth3" Guthrie**
Second Place: **Zach "Welder924" Poznanski**
Third Place: **Mark "Meat1" Herman**

Also, congratulations to **Sue "Dumbosue" Mills** for winning the Sweet Sixteen Pool:
She gets a free entry into Steve's March Madness 2024 next year!

This year, I collected from **all of you!** Great job getting the cash in.
I will be sending out the money very soon. Here's the breakdown:

139 out of 140 entries collected (I enter *Picks By Rank* every year to compare your picks to how teams were seeded...it is ineligible to win): $139 \times \$5 = \695 total.

First place: 70% of total collected (\$486.50)

Second place: 20% (\$139)

Third place: 10% (\$69.50)

By the way, I **HATED** the website I used this year for many, many reasons. I will definitely use a different site next year.

Thanks again, and I'll see you next year! You'll hear from me in 11 months!

Steve
